

## **Tunjur chant by Nick Bilbrough**

Mother: Tunjur! Tunjur!  
You're in danger!  
Don't go out and talk to a stranger!  
Stay with me  
And have some tea.  
And we can have our own adventure.

Tunjur: But mother, I'm here  
And I won't disappear.  
I've got honey and money and gold.  
There are things I must see.  
And I want to be free.  
And I'm not going to do as I'm told.
